Feedback on Puneet Sagar Abhiyan

Puneet Sagar Abhiyan, the nationwide flagship programme of the National Cadet Corps, aim at educating people to clean seashores, beaches and other water bodies, including rivers and lakes of plastic and other waste material. As a part of it, the NCC coy of Pioneer Kumaraswamy College planned a cleanliness drive to clean the Lemur beach, Ganapathipuram, Kanyakumari Dist also called “Aayiram Kal Poli Mugam” which is located at the Arabian Sea coast on 5 Dec 2022 from 9 am to 11 am. The cleanliness drive propagates the importance of ‘clean sea shores’ importance of plastic free in the ocean amongst the local population

The local panchayat were also called to join hands with us to propagate the message in stopping the uncontrolled pollution of beaches due to plastic debris among the local people. The collected plastic wastes were handed over to Ganapathipuram panchayat.

The summary of the programme is given below:
